

JB-BACKPACK1

32 POCKETS

RUGGEDIZED FRONT CASE

Protects fragile items like eyewear, cell phones & tablets.

LARGE FRONT POCKET

Easy access to larger tools like manifolds & hoses. Trimmed in reflective gray piping.

DURABILITY

Tough molded base.

LAPTOP SLEEVE

Protective, cushioned laptop and tablet sleeve.

WIDE OPENING

Fits larger tools like torque wrenches, pipe benders, & digital testing tools.

COMFORTABLE TRANSPORTATION

Padded shoulder straps & handles for easy carrying. Extended back padding over base provides a cushion of comfort.

PROTECTIVE DESIGN

Ballistic weave nylon for longevity.
